Apparently He is everywhere, imposing His command over every being, awaiting with sorrow any disobedience to His laws and commandments, engaging in a constant struggle to survive for all: The MEST Universe. Welcome to the real world. According to their website: "This is where Ron descends to the foundations of a thetan with his native abilities operating in and competing with the physical universe. The pre-clear then follows exercises designed to achieve stability at different points outside the body. Here is his discovery of the only factor that surpasses existence itself. The book focuses heavily on Scientology's spacework doctrine, and also extensively on Hubbard's concept of life as "The Game". Then various other geometric shapes are used. Ron Hubbard released on December 1, 1952 and was presented in Philadelphia, Pennsylvania.
